Taste of water nestle waters com

At Nestl Waters, we think it s time more attention was paid to the taste of our waters. A matter of taste. The varying proportions of mineral salts that give natural mineral waters their beneficial qualities mean that each water has its own distinctive properties. But they are also responsible for giving each water

its specific taste. We have decided to turn the spotlight on the taste of water, so that consumers can more easily choose what water to drink by criteria of taste.
